About Claranova:

Claranova is a high-growth international technology group with a long-term vision and resilient business models operating in high potential markets. As the leader in personalized e-commerce (PlanetArt), Claranova provides added value through technological expertise in software publishing (Avanquest) and the Internet of Things (myDevices). These three business divisions share a common mission to simplify access to new technologies through solutions combining innovation and ease of use. Based on these strengths, Claranova has maintained an average annual rate of growth for the past three years of more than 45% and in FY 2019-2020 had revenue of €409 million.
