# Claranova ranks 6th among the fastest-growing companies of France's 2021 Growth Champions

## +214% growth in three years

**Paris, France - February 8, 2021.** For the third year in a row, Claranova ranks among France's 2021 *Growth Champions,* a prestigious selection of the country's fastest-growing companies based on three-year revenue.

For this 5th edition, Les Echos, the leading French financial media group, in partnership with Statista, the global business data platform, paid tribute to 500 SMEs[1] and intermediate-sized companies[2], the growth engines of the French economy with revenue between €1.5 million and €2.5 billion.

**With average annual growth of 46.5% between 2016 and 2019 or +214% over the three-year period, Claranova ranks sixth among the 25 top-performing companies in terms of sales with revenue of €409 million for FY 2019-2020[3].**

In terms of sales growth, the Group moves up into the top tier of the 500 growth champions and now occupies the 122nd position in the overall ranking (up from 266th last year).

*"This renewed success confirms the Group's ability to maintain strong growth momentum and add market share worldwide within a constantly evolving technological sector. By leveraging its international and diversified market positions within the digital universe through its different business divisions, PlanetArt (personalized e-commerce), Avanquest (SaaS[4] subscription-based software sales) and myDevices (IoT[5] solutions), Claranova has major strengths to support continuing rapid development in the coming years."*

Pierre Cesarini, CEO of Claranova group

**About Claranova:**

Claranova is a high-growth international technology group with a long-term vision and resilient business models operating in high potential markets. As the leader in personalized e-commerce (PlanetArt), Claranova provides added value through technological expertise in software publishing (Avanquest) and the Internet of Things (myDevices). These three business divisions share a common mission to simplify access to new technologies through solutions combining innovation and ease of use. Based on these strengths, Claranova has maintained an average annual rate of growth for the past three years of more than 45% and in FY 2019-2020 had revenue of €409 million.
