About Claranova:

Claranova is a French technology group operating in three major business sectors: mobile services through its PlanetArt division, Internet of Things (IoT) through its myDevices division and monetizing Internet traffic through its Avanquest division. A truly global internet and mobile player, Claranova reported annual revenue in excess of €160 million, generated over 90% internationally. Its businesses are:

- PlanetArt: A world leader in mobile printing, specifically via its FreePrints and Photobook applications – the cheapest and simplest solutions in the world for printing photos and creating photo albums from a smartphone;
- myDevices: A global platform for IoT (Internet of Things) management, myDevices allows its partners to commercialize turnkey solutions ("IoT in a Box") to their customers. Ready-to-use solutions are available for roll-out in the medical, hotel, food and beverage, retail and education sectors thanks to these offerings;
- Avanquest: A specialist in monetizing Internet traffic through cross-cutting solutions, Avanquest boosts its customer impact through cross-selling offerings that maximize Internet traffic while ensuring the most efficient monetization possible.
